

Appendix 2

IFPS Smartboard Support Information

Name: _____ or How long have you had your Smartboard? _____

What support worked best for you when implementing the Smartboard in your classroom. Please place a tick in the box that best describes the usefulness of each strategy.

Strategy	Absolutely essential to me	Helpful to me	Slightly useful	Not at all helpful to me
Seeing a Smartboard in action either in Canberra or at IFPS				
The fact that it was a choice to have one				
Weekly short meetings after school				
Resources from other teachers stored on P:drive				
Incidental sharing (walking past classrooms)				
Support from your peers through release time (eg time with other teachers or Collaborative pairs)				
Having a USB stor drive (memory stick) to transport files				
Having the software on my home comp.				
Having the software on all the computers around the school				
Having the principal's support				
Having a teacher to support and troubleshoot				
Having a skilled SSO come in				
Having technicians keep the machines going				
The SMARTnotebook flipchart guide				
Being able to borrow a laptop with the software on it				
Other (please add)
